1 Choose Your Product

The step by step manual below will guide you through the ordering process for customizing your blinds with Happy Windows by

CUSTOMIZING WINDOWS

Choose from the below products to define the style of your blind

SOLARETTE

Solarette Blind has multiple vanes stitched with two layers of sheer fabrics. This pattern allows maximum light filtration in a subtle way.

SONATINE

Allows maximum light filtration by adjusting zebra stripes of sheer and semi opaque

ROLLER

Roller blinds are suitable for almost any part of your house or office.

PANEL BLIND

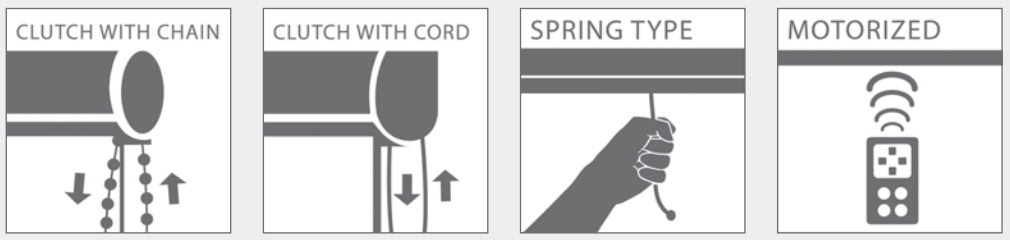

Panels of fabrics are attached with the top channel giving enough flexibility to make your own color combinations by selecting one or more fabrics for panels. This blind travels sideways, Suitable for large windows and for french doors.

ROMAN BLINDS

Roman blinds brings a feeling of warmth, sophistication and taste to any room, It's elegant yet softer approach to window coverings combines the stylish lines of curtains with the simplicity of a blind.

Choose from these operating systems to ensure smooth operation based on your requirements
